RE: FY2019 Priority List for the Clean Water State Revolving Fund Program

---

The Clean Water State Revolving Fund Program is beginning preparation of the FY2019 Priority List. If you wish to be listed on the FY2019 Clean Water SRF priority list, you must submit an application. The attached priority list application must be completed and returned no later than January 15, 2018, if a SRF loan closing is anticipated for the project during state fiscal year 2019. This application can also be found on the [www.dep.gov](http://www.dep.gov) website under Water and Waste, Clean Water SRF Program documents and publications.

The FY2019 Priority List will contain applicants eligible to be considered for a loan agreement between July 1, 2018 and June 30, 2019. All information requested on this document must be provided. Please note that the last page of the priority list application needs only to be completed if you have a project that you feel meets the requirements to be qualified as a green project. If you wish to be considered as an eligible green reserve project, you must complete this portion of the application.

The required public hearing on the draft FY2019 Priority List and FY2019 Intended Use plan for the Clean Water SRF Program will be announced later. Any questions, please contact Kim Henderson at (304) 926-0499 ext. 1608 or by email at [Kimberly.A.Henderson@wv.gov](mailto:Kimberly.A.Henderson@wv.gov).
