EMISSION STATEMENT CERTIFICATION

I, the undersigned, hereby certify, that I am a responsible official, as defined in 45 CSR 30, that I have examined and that I am personally familiar with the information reported in my company's emission statement, including the Title V applicability determination contained therein.

Such examination has shown that my company: (check)

- is not subject to the title V permit program,**
- is subject to the Title V program and is required to submit an application for a Title V operating permit according to the schedule outlined in 45 CSR 30 and pay Title V fees based on actual emissions from the most recent calendar year.**

Based on my inquiry of those individuals with primary responsibility for obtaining all information including emission data, I certify that the information is to my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false or incomplete information, including the possibility of fine or imprisonment.
