

SUBJECT: Temporary Spoil Storage Areas

DATE: November 1, 2001 - Revised 09-01-06

Legal Authority: 38-3-9.5

Temporary spoil storage areas constructed on slopes steeper than twenty (20) degrees shall be designed using those same requirements as permanent excess spoil disposal sites.

Temporary spoil storage areas that are in place and inactive for more than 12 months shall be stabilized and revegetated.
