WEST VIRGINIA CODE, CHAPTER 22, ARTICLE 11**

TO: Shane's Auto & Truck Salvage

East Meadow, NY 11554

DATE: October 17, 2012

ORDER NO.: 7700

INTRODUCTION

This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to Shane's Auto & Truck Salvage (hereinafter "Shane").

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. Shane operates a salvage yard located in Berkeley County, West Virginia. Shane was issued WV/NPDES General Water Pollution Control Permit No. WV0111457, General Permit Registration No. WVG611393, on June 3, 2009.
2. On June 9, 2011, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, it was observed and documented that Shane failed to properly maintain good housekeeping practices. Specifically, several hundred tires, rubbish, and auto parts were observed on the property, which is a violation of the terms and conditions of Shane's WV/NPDES permit (Section B.17.A.a.2.d).

As a result of the aforementioned violation, Notice of Violation (NOV) No. 11-02-067-203 was issued to Shane.

3. On April 13, 2012, WVDEP personnel conducted a review of facility records from the time period of June 2009 through March 2012. During this review, it was determined that Shane failed to report five (5) storm water sampling results, as required by the terms and conditions of Shane's WV/NPDES permit (Appendix A.III.2).
4. On September 25, 2012, WVDEP personnel and a representative of Shane met to discuss the terms and conditions of this Order.

ORDER FOR COMPLIANCE

Now, therefore, in accordance with Chapter 22, Article 11, Section 1 et seq. of the West Virginia Code, it is hereby agreed between the parties, and ORDERED by the Director:

1. Shane shall immediately take all measures to initiate compliance with all terms and conditions of its WV/NPDES permit.
2. Within sixty (60) days of the effective date of this Order, Shane shall properly dispose of all trash and tires from its property and submit proof of proper disposal, in the form of receipts, to:

**WVDEP Environmental Inspector Supervisor
NE Regional Environmental Enforcement Office
HC63 Box 2545
Romney, WV 26757**

3. Within twenty (20) days of the effective date of this Order, Shane shall submit for approval a proposed plan of corrective action and schedule, outlining action items and completion dates for how and when Shane will achieve compliance with all terms and conditions of its WV/NPDES permit. The plan of corrective action shall be submitted to:

**WVDEP Environmental Inspector Supervisor
NE Regional Environmental Enforcement Office
HC63 Box 2545
Romney, WV 26757**

A copy of this plan shall be submitted to:

**Chief Inspector
Environmental Enforcement - Mail Code #031328
WVDEP
601 57th Street SE
Charleston, WV 25304**

Upon approval, the plan of corrective action and schedule shall be incorporated into and become part of this Order, as if fully set forth herein. Failure to submit an approvable plan of corrective action and schedule or failure to adhere to the approved schedule is a violation of this Order.

4. Because of Shane's permit violations, Shane shall be assessed a civil administrative penalty of seven thousand three hundred forty dollars (\$7,340) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of the effective date of this Order. Payments made pursuant to this paragraph are not tax-deductible for purposes of State or federal law. Payment shall be mailed to:

**Chief Inspector
Environmental Enforcement - Mail Code #031328
WV-DEP
601 57th Street SE
Charleston, WV 25304**

OTHER PROVISIONS

1. Shane hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, Shane agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, Shane does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding Shane other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, Shane shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after Shane becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which Shane intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of Shane (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.

4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving Shane of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject Shane to additional penalties and injunctive relief in accordance with the applicable law.
5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on Shane, its successors and assigns.
7. This Order shall terminate upon Shane's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly , >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= of 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
