Annual Low Concentration Monitoring Waiver Certification in accordance with Condition B.5. of the General Permit.

(This certification is due by the last day of the month immediately following the facilities anniversary of permit issuance/reissuance.)

To continue currently approved waivers, the permittee must certify the statement below by placing a check in the box.

☐ There has not been a significant change in the industrial activity or the pollution prevention measures in the area of facility that drains to the outlet(s) for which sampling was waived.

☐ There has been significant change(s) in the industrial activity or the pollution prevention measures in the area of facility that drains to the outlet(s) for which sampling was waived.

Explain: ________________________________
By checking boxes below I certify under penalty of law that I have personally examined and am familiar with the information required on this form and including:

☐ Storm Water Pollution Prevention Plan (SWPPP) is currently updated and open for inspection at the facility.

☐ Groundwater Protection Plan (GPP) is currently updated and open for inspection at the facility.

☐ A complete review and inspection will be conducted at least annually to update the SWPPP and the GPP and Best Management Practices will be considered to lessen any storm water contamination at this site.

Based upon my inquiry of those individuals responsible for obtaining the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.
