A modification fee is required each time an application is submitted. Refer to §47-26-6. Permit Modification Application Fees to determine the amount of this fee.

If the director determines that a submitted application is incomplete and must be returned to the applicant for additional information, a modification application resubmission fee shall accompany the refiled application. This fee shall be either a sum equivalent to five percent (5%) of the modification application fee or fifty dollars ($50), whichever is greater.
