RE: Application Status: Withdrawn  
Hampden Coal, LLC  
Muddy Bridge 2 Gas Screening Facility  
Registration Application G10-D165  
Plant ID No. 045-00150

Dear Mr. Brown:

In accordance with your letter dated February 23, 2017 and received on February 27, 2017, this Division hereby acknowledges the withdrawal of your company's application for the construction of your proposed Muddy Bridge 2 Gas Screening Facility to be located near Davin, Logan County, WV.

It is the DAQ's understanding that while this application is being withdrawn, the company intends to make revisions and resubmit it within a short amount of time. The required \$500 application fee and \$1,000 NSPS fee were not received with application G10-D165, therefore, there are no fees available to be applied to the revised application when it is received.

No further action will be taken by this Division regarding the changes proposed within Application G10-D165, which has been withdrawn.

Sincerely,

William F. Durham  
Director, Division of Air Quality

WFD/DPR
