NOTICE OF PUBLIC COMMENT AND HEARING

The West Virginia Department of Environmental Protection (DEP) is offering an opportunity for public comment and a public hearing, on the proposed *Redesignation Request and Maintenance Plan for the West Virginia Portion of the Steubenville, OH-WV 2010 1-hour Sulfur Dioxide (SO₂) Nonattainment Area, Comprising the Cross Creek Tax District of Brooke County (Redesignation Request and Maintenance Plan)*. The proposal concerns two inter-related actions regarding the West Virginia portion of the nonattainment area. First, DEP is requesting the U.S. Environmental Protection Agency (EPA) redesignate the area to attainment pursuant to the provisions of Clean Air Act (CAA), section 107. Second, DEP is asking that EPA concurrently approve, as a revision to the State Implementation Plan (SIP), the related maintenance plan which demonstrates the area will continue to meet the SO₂ standard for at least ten more years. DEP is expressly soliciting comment on whether the proposed maintenance plan adequately meets the requirements of CAA, section 175A, as well as any relevant comments regarding the incorporation of the finalized maintenance plan into the West Virginia SIP.

The Steubenville, OH-WV area was designated nonattainment with the 2010 1-hour SO₂ NAAQS in the August 5, 2013 Federal Register [78 FR 47191], effective October 4, 2013. On April 25, 2016, DEP submitted the *Attainment Demonstration for the 1-hour National Ambient Air Quality Standard for Sulfur Dioxide (SO₂) State Implementation Plan for the West Virginia Portion of the Steubenville-Weirton, OH-WV Nonattainment Area, Comprising the Cross Creek Tax District of Brooke County*, which demonstrated that the Steubenville, OH-WV SO₂ nonattainment area would meet the 1-hour SO₂ national ambient air quality standard (NAAQS) by the mandatory date of October 4, 2018. In the proposed *Redesignation Request and Maintenance Plan* the DEP demonstrates that federally enforceable emission reduction measures have been implemented which have resulted in monitored and modeled air quality improvement and the air quality now meets the 2010 SO₂ NAAQS. Further, DEP shows that with expected growth and federally enforceable controls, the area will continue attainment of the NAAQS for at least ten years.

A hearing will be held on June 24, 2019, beginning at 6:00 p.m. at the DEP Northern Panhandle Regional Office at 131A Peninsula Street, Wheeling, WV 26003, and the public comment period will extend until the close of the hearing.

Upon completion of the public comment period, and after addressing any received written comments or oral comments received at the public hearing, the DEP will submit the final documentation to EPA as a revision to the SIP.

Copies of the proposed SIP revision and documentation may be viewed on weekdays between 8:30 a.m. and 4:30 p.m. at the DEP Northern Panhandle Regional Office located at the above Wheeling address. Copies will also be available for public review at the Division of Air Quality, 601 57th Street, SE, Charleston, WV 25304. The relevant documents may also be accessed via the following web address: <http://www.dep.wv.gov/daq/publicnoticeandcomment/Pages/default.aspx>

Transmit written comments to Laura M. Crowder, Director of the Division of Air Quality, at the following address:

WV Department of Environmental Protection
Division of Air Quality
601 57th Street, SE
Charleston, WV 25304

Written comments will also be accepted for inclusion in the formal record by mail, facsimile (304-926-0479), e-mail (Sandra.K.Adkins@wv.gov) or other delivery to the Division of Air Quality if received by the close of business on June 24, 2019.

Re: Proposed Redesignation Request and Maintenance Plan for the West Virginia Portion of the Steubenville, OH-WV 2010 1-hour Sulfur Dioxide (SO₂) Nonattainment Area, Comprising the Cross Creek Tax District of Brooke County (Redesignation Request and Maintenance Plan)

Dear Ms. Fernandez:

The West Virginia Department of Environmental Protection, Division of Air Quality is herein submitting for your review and comment the enclosed *Redesignation Request and Maintenance Plan for the West Virginia Portion of the Steubenville, OH-WV 2010 1-hour Sulfur Dioxide (SO₂) Nonattainment Area, Comprising the Cross Creek Tax District of Brooke County (Redesignation Request and Maintenance Plan)*(proposed). We are providing all documentation electronically via the EPA's CDX system. The relevant documents may also be accessed via the following web address: <http://www.dep.wv.gov/daq/publicnoticeandcomment/Pages/default.aspx>

The Steubenville-Weirton, OH-WV 1-hour sulfur dioxide (SO₂) nonattainment area is a multi-state nonattainment area, comprised of the Cross Creek Tax District of Brooke County, West Virginia, and Jefferson County, Ohio (partial) including the Cross Creek, Steubenville, Warren and Wells Townships and Steubenville City. The area was designated as nonattainment with the 2010 1-hour SO₂ National Ambient Air Quality Standard (NAAQS) in the August 5, 2013 Federal Register [78 FR 47191], effective October 4, 2013.

Written and oral comments will be accepted until the close of the public hearing and will be made part of the formal record. The public hearing shall be held beginning at 6:00 p.m. on June 24, 2019 at the DEP Northern Panhandle Regional Office at 131A Peninsula Street, Wheeling, WV 26003.

Promoting a healthy environment.

Written comments will also be accepted for inclusion in the formal record by mail, facsimile (304-926-0479), e-mail (Sandra.K.Adkins@wv.gov) or other delivery to the Division of Air Quality if received by the close of business on June 24, 2019. Send written comments to be included in the formal record to Laura M. Crowder, Director, Division of Air Quality via any of the mechanisms noted above. Mail should be sent to the address shown in the letterhead. Please identify the document to which the comments apply, the commenter's name, address, and telephone number.

If you have questions, please contact Jon McClung in our Division of Air Quality at (304) 926-0499, extension 1689.

Sincerely,

A handwritten signature in blue ink that reads "Laura M. Crowder". The signature is fluid and cursive, with the first name being the most prominent.
