

# IMPROPER DISPOSAL OF USED OIL WILL COST YOU

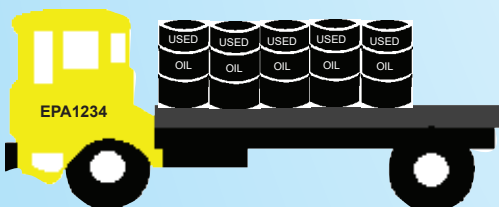

Drums and tanks should be leak-proof and labeled “USED OIL”

Contain and clean up oil spills immediately

Don't improperly dispose of used oil

Use an authorized oil transporter with an EPA ID number

Don't ship used oil to off-site oil burners \*

\* Some exceptions apply – for details, contact DEP.

**REMEMBER:** *One drop of used oil contaminates a million drops of water.*
