GENERAL NOTES

1. It is vital to the safe installation of the contract work that all plans, specifications, and construction documents be fully understood by the members of the construction team. It is the responsibility of the contractor to ensure that all contractors and subcontractors fully understand the plans and specifications by review and consultation with the engineer. All plans, specifications, and construction documents shall be made available to the contractor for review.

2. Any changes to the plans, specifications, and construction documents shall be approved in accordance with the procedures set forth in these notes.

3. All materials and workmanship shall be in accordance with the plans and specifications.

4. The contractor shall ensure that all work is completed in accordance with the plans and specifications.

5. The contractor shall be responsible for the protection of all materials and workmanship.

6. The contractor shall be responsible for the protection of all materials and workmanship.
