Electronic Submittal of Surface Coal Mining and Reclamation Act Storm Water Runoff Analysis (SWROA)

The Division of Mining and Reclamation is pleased to announce the new SWROA electronic submittal type in eSS. The SWROA can be found under the Mining and Reclamation (OMR) DEP Office preference.

Companies shall submit their SWROA reports accordance with requirements of West Virginia Surface Mining Reclamation Rule 38-2-5.6.b.

In each eSS SWROA submittal there should be one attachment per event per permit. Attachments can be either PDF, Word or Excel.

Submittals will start immediately on an as needed basis.

The "Reference ID" in eSS will be the permit number, date and year. For example, "SXXXXYY May 28, 2021."
