47 CSR 30, Section 3.5.c.1 Transfers – Advanced Approval

- A valid NPDES Permit is required. An administratively extended permit is acceptable.
- If the SMCRA advance approval request does not contain an advance approval request for all the corresponding SMCRA Permit(s), the NPDES advance approval will be denied. The applicant will be required to submit a NPDES application and obtain a NPDES Permit(s).
- The NPDES advanced approval will not be approved until the corresponding SMCRA advanced approval is approved.
- The NPDES advance approval terminates when the SMCRA advance approval terminates or expires.

Attached are the; NPDES advance approval letter, the NPDES advance approval request form which will be part of Module 12, and the NPDES advance approval checklist. The changes have been requested and soon will appear on our website to be used.
