

EARTH BINGO

REUSABLE WATER BOTTLE PLEDGE

I, _____ pledge that I will not use single-use plastic bottles for thirty days.
(Print Name)

Instead, I will use a reusable bottle to do my part to help protect the environment from plastic pollution.

(Signature)

(Date)

Make it happen-

Start date: Right away. Start right after you sign your pledge.

How long: The pledge is for 30 days, but afterwards you can continue for as long as you want, hopefully forever. The longer you go, the better for the planet.

What if I forget to take my bottle with me:

Things happen. Even the most committed individual may forget to take their refillable bottle with them. Look for alternatives like a water fountain, or a place to access tap water. If you are headed to a restaurant, wait until you get there and order a free glass of water.

But if all else fails, and you must get a plastic bottle of water, allow yourself one "Get Out of Jail" pass during the 30 days.

Get Others Involved:

Get your friends and family to sign a pledge too! You can help keep each other on track, and you can even make it a fun competition!
