   - No
AST Survey

4. Does the device remain in one location on a continuous basis for sixty or more days?
   Yes  No

5. Is the structure a rail road freight car?
   Yes  No

6. Is the structure a barge or a boat?
   Yes  No
7. Is the structure a swimming pool?

Yes  No

8. Is the structure a “process vessel” being defined as tanks, containers or other vessels utilized in a facility in the manufacturing process through which there is a steady, variable, recurring or intermittent flow of materials? This does not include tanks used for storage of materials prior to their introduction into the production process or for the storage of finished products or by-products of the production process.

Yes  No
9. Does the structure hold wastewater that is being actively treated/processed, e.g., clarifier, chlorine contact chamber, batch reactor, etc.? (This does not include chemical storage/feed tanks, pre- or post-processing storage tanks, fuel storage tanks, etc. that are located at the treatment facility.)

Yes  No
AST Survey Messages

Yes, you do. Registration starts June 10, 2014. Click here to login.

You can register your tanks online. If you don't have an ePermitting or eDMR account, click here to Sign up.
AST Survey Messages

No, you don't have to register this tank.

However, please keep in mind that although you do not have to register as an Aboveground Storage Tank, you may potentially have to register as a potential source of significant contamination. If so, you will be contacted by the WV DEP.
HOW DO I REGISTER?????

• If you don't have an ePermitting or eDMR account, Sign up for one.

• If you have an ePermitting or eDMR account, Log In and complete the registration form.
Electronic Submission System

- Registration User's Guide
- Sample Registration

Electronic Submission System (ESS) is the preparation, delivery, review, correction, approval, and publication of permit application data by using web-based technologies to integrate industry, regulators and the public with a common interface. Information requirements are the same as the paper counterparts.

The only technical requirements are an Internet connection, an email account, and Microsoft's Internet Explorer (Version 6.0 or later)

NOTE:
Registration Form

• Completed on-line
• Owner/Operator Information
• Facility Information
• AST System Information
• Substances Stored
Some Important Dates

- March 8, 2014: SB 373 passes legislation
- June 6, 2014: SB 373 becomes effective
- June 10, 2014: Registration Opens
- Sept. 1, 2014: NPDES General Permit holders having ASTs with ZCC must apply for Individual NPDES
Some Important Dates

- Oct. 1, 2014: All tanks must be registered
- Dec. 3, 2014: Spill Prevention Response Plan must be submitted to DEP for review/approval
- Jan. 1, 2015: Certified Inspections submitted to DEP
Registration Progress

• 15,683 Registrations (facilities)

• 47,045 Tanks

• 6.07% in the ZCC (approximately 2,856 tanks)
Legislative Rules

• Both are available on the AST web page
• Interpretive Rule – 47CSR62
  – Currently in the Public Comment Period
  – Public Hearing at the WVDEP HQ at 6:30PM today
• Draft Emergency Rule
  – ROUGH Draft
  – WVDEP is currently accepting comments
Wrap Up

• AST Program is evolving

• Keep checking the web page for updates
