RE: Sampling & Analysis Report (SCR) Approval, VRP# 17031  
Jefferson Orchards, Inc, Kearneysville, Jefferson County

Dear Mr. Slonaker:

A review of the above referenced document dated September 2017, and received by the Office of Environmental Remediation, on 9/27/2017, has been completed. The Sampling & Analysis Report for the soils investigation is approved. Please remember that a sampling and analysis plan and a sampling and analysis report for groundwater investigation will still be needed.

If you have any questions I can be contacted by phone at 304-707-6094 or email at sheena.r.moore@wv.gov.

Sincerely,

Sheena R. Moore  
Project Manager
