This Consent Order is issued by the Director of the Division of Water and Waste Management (hereinafter "Director"), under the authority of West Virginia Code, Chapter 22, Article 11, Section 1 et seq. to 300N LLC.

FINDINGS OF FACT

In support of this Order, the Director hereby finds the following:

1. 300N LLC is conducting construction activity with land disturbance in Bunker Hill, Berkeley County, West Virginia.
2. On February 19, 2016, West Virginia Department of Environmental Protection (WVDEP) personnel conducted an inspection of the facility. During the inspection, a violation of the following sections of WV State Code and WV Legislative Rules was observed and documented:
 - a. 22-11-8 and 47CSR10 Section 3.1 - 300N LLC began construction and land disturbance activity in excess of one (1) acre without first obtaining a valid WV/NPDES Construction Storm Water Permit.

As a result of the aforementioned violations, Notice of Violation (NOV) No. W16-02-012-MJA was issued.

3. On September 15, 2016, WVDEP personnel conducted an inspection of the facility. During the inspection, a violation of the following sections of WV State Code and WV Legislative Rule was observed and documented:
 - a. 22-11-8 and 47CSR10 Section 3.1 - 300N LLC began construction and land disturbance activity in excess of one (1) acre without first obtaining a valid WV/NPDES Construction Storm Water Permit.

As a result of the aforementioned violations, NOV No. W16-02-034-MJA was issued.

4. On October 27, 2016, a WV/NPDES permit application for the aforementioned activity was submitted by Patrick N. Frye, and WV/NPDES Permit No. WV0115924, Registration No. WVR108491, was assigned. On October 27, 2016, WVDEP personnel attempted to contact Patrick N. Frye, via e-mail, concerning a question regarding the name of the applicant.
5. On November 3, 2016, WVDEP personnel and representatives of 300N LLC met to discuss the terms and conditions of this Order.
6. On January 10, 2017, WVDEP personnel conducted a review and determined that Patrick N. Frye had not responded to the aforementioned October 27, 2016 e-mail correspondence.

2. Because of 300N LLC's West Virginia Code and Legislative Rule violations, 300N LLC shall be assessed a civil administrative penalty of six thousand two hundred thirty dollars (\$6,230) to be paid to the West Virginia Department of Environmental Protection for deposit in the Water Quality Management Fund within thirty (30) days of the effective date of this Order. Payments made pursuant to this paragraph are not tax-deductible for purposes of State or federal law. Payment shall include a reference to the Order No. and shall be mailed to:

1. 300N LLC hereby waives its right to appeal this Order under the provisions of Chapter 22, Article 11, Section 21 of the Code of West Virginia. Under this Order, 300N LLC agrees to take all actions required by the terms and conditions of this Order and consents to and will not contest the Director's jurisdiction regarding this Order. However, 300N LLC does not admit to any factual and legal determinations made by the Director and reserves all rights and defenses available regarding liability or responsibility in any proceedings regarding 300N LLC other than proceedings, administrative or civil, to enforce this Order.
2. The Director reserves the right to take further action if compliance with the terms and conditions of this Order does not adequately address the violations noted herein and reserves all rights and defenses which he may have pursuant to any legal authority, as well as the right to raise, as a basis for supporting such legal authority or defenses, facts other than those contained in the Findings of Fact.
3. If any event occurs which causes delay in the achievement of the requirements of this Order, 300N LLC shall have the burden of proving that the delay was caused by circumstances beyond its reasonable control which could not have been overcome by due diligence (i.e., force majeure). Force majeure shall not include delays caused or contributed to by the lack of sufficient funding. Within three (3) working days after 300N LLC becomes aware of such a delay, notification shall be provided to the Director/Chief Inspector and 300N LLC shall, within ten (10) working days of initial notification, submit a detailed written explanation of the anticipated length and cause of the delay, the measures taken and/or to be taken to prevent or minimize the delay, and a timetable by which 300N LLC intends to implement these measures. If the Director agrees that the delay has been or will be caused by circumstances beyond the reasonable control of 300N LLC (i.e., force majeure), the time for performance hereunder shall be extended for a period of time equal to the delay resulting from such circumstances. A force majeure amendment granted by the Director shall be considered a binding extension of this Order and of the requirements herein. The determination of the Director shall be final and not subject to appeal.
4. Compliance with the terms and conditions of this Order shall not in any way be construed as relieving 300N LLC of the obligation to comply with any applicable law, permit, other order, or any other requirement otherwise applicable. Violations of the terms and conditions of this Order may subject 300N LLC to additional penalties and injunctive relief in accordance with the applicable law.
5. The provisions of this Order are severable and should a court or board of competent jurisdiction declare any provisions to be invalid or unenforceable, all other provisions shall remain in full force and effect.
6. This Order is binding on 300N LLC, its successors and assigns.

7. This Order shall terminate upon 300N LLC's notification of full compliance with the "Order for Compliance" and verification of this notification by WVDEP.

Examples/Guidance:

Note: Rate as 1 for Minor, 2 for Moderate and 3 for Major. Rate as 0 if it does not apply.

Minor = exceedance of permit limit by <=40% for Avg. Monthly or <=100% for Daily Max., exceed numeric WQ standard by <= 100%, or report doesn't contain some minor information.

Moderate = exceedance of permit limit by >= 41% and <= 300% for Avg. Monthly , >= 101% and <= 600% for Daily Max., exceed numeric WQ standard by >= 101% and <= 600% or report doesn't fully address intended subject matter.

Major = exceedance of permit limit by >= 301% for Avg. Monthly, >= 601% for Daily Max., exceed numeric WQ standard by >= 601%, failure to submit a report, failure to obtain a permit, failure to report a spill, etc. Note that a facility in SNC should be rated as major for length of time and degree of non-compliance.
